MEMORANDUM FOR: The Director of Central Intelligence
FROM : Acting Presidential Briefing Coordinator
SUBJECT : Preparation for 11 July and Subsequent Presidential Briefings

25X1A

1. Attached are ~~packages~~ ^{etc} on the following subjects:

- ✓ A. The Soviet ^{etc} View of the Sino-Soviet-US Triangle
- B. Bonn Economic Summit
- C. Soviet Air Defense
- D. Pakistan
- E. Soviet/Cuban Options in Southern Africa
- F. Jamaica

2. Package A contains the brief from [redacted], focusing on the Soviet View of the Sino-Soviet-US triangle. I have prepared talking points from it. Even though the DCI/NIO meeting on this topic was canceled and is not currently rescheduled I am proceeding as if you still would like to brief this topic on 11 July. Background material supplementing this brief was previously sent to you. 25X1A

3. The Bonn Economic Summit is primarily background material. Mr. [redacted] has indicated that there may not be anything unique or new to contribute to the President on this subject for the 11 July briefing.

4. Also attached is a package on the "Soviet Air Defense" scheduled for 18 July. It includes a folder on "ECCM" which you have seen before and is included in this same package as an alternate approach in briefing the Soviet Air Defense topic (see cover memo on Soviet Air Defense folder).

5. The Pakistan package includes your notes on the 27 June briefing and a response by [redacted] ANIO/NESA to your questions.

6. "The Soviet/Cuban Options in Southern Africa" briefing has been boiled down, and graphics proposed. This is not scheduled until 25 July but since you are scheduled to be out-of-town you may want to look at it now.

7. Finally "Jamaica" is included since time did not allow you to brief this on the last Presidential Briefing (27 June).

8. The [] is also scheduled for 11 July. However we were unable to make this package. My plan is to have it ready tomorrow, 7 July. There is some doubt however, as to whether any package will be forwarded to you at that time. If that is the case, then you will not be able to see this until Monday morning. The pre-briefing is scheduled on that same day at 2:00 p.m.
